

Rescheduling of Oil & Gas Indonesia 2021 to 14 - 17 September 2022

Dear Valued Visitors,

After careful deliberations with key industry stakeholders, exhibitors and suppliers, PT Pamerindo Indonesia has taken the difficult but necessary decision to reschedule the next edition of **Oil & Gas Indonesia** from 17 - 20 November 2021 to **14 - 17 September 2022** at the same location, the Jakarta International Expo (JIEXPO) Kemayoran. The show will be co-located with Electric & Power Indonesia, Mining Indonesia, Construction Indonesia, and Concrete Show South East Asia under the Indonesia Energy & Engineering Exhibition Series.

We believe that the revised dates in September 2022 and consolidation of shows will better meet the needs of our exhibitors and visitors and to facilitate conditions for more effective business engagement.

Please accept our apologies for any inconvenience caused by this rescheduling. We wish to thank your participation and continued support of our shows, we greatly appreciate your understanding in these unprecedented times. Our sole focus remains to provide a safe event of enhanced quality, with more exhibitors, and qualified trade buyers to make your participation a huge success.

We look forward to seeing you again in September 2022.
