● MEDIA TRAINING by Oil & Gas Indonesia x ASPERMIGAS

The energy sector has a very important role in the development of the national economy. Indonesia, as a tropical country, and also located within the region known as the Ring of Fire, has a tremendous potential in solar and geothermal energy, which is especially important since geothermal energy is an infinite source of renewable energy. Based on the installed capacity, Indonesia is number two in the world after the United States with more than 2100 MW based on the total capacity of Pembangkit Listrik Tenaga Panas Bumi (PLTPB) that have been activated. By 2027 Indonesia is expected to be number one. Therefore, the geothermal industry has always been the centre of public attention, nationally and internationally.

In a collaboration with ASPERMIGAS, taking the theme of Introduction to Geothermal and Business Processes: Opportunities, Economy, Exploration, and Production, the Media Training was successfully held on Saturday & Sunday, 25 & 26 September 2021, at 09.00 AM (WIB/GMT+7), and was hosted by experts in the industry.

The Media Training has provided the media with fundamental understanding of the geothermal industry, with the goal of making news on the geothermal energy industry and its current situation in the country more accurate and easier for the public to understand. This will specifically focus on industrial conditions that have an impact on the economic, social, and political side of things. More than 70% of the attendees were members of the media and over 400 minutes training were conducted within two days. We are thanking our sponsors and speakers for making time and for their support to this industry.

● THE AGENDA

Keynote Speakers

Dr. Ir. Eko Budi Lelono

Kepala Badan Geologi
Kementerian Energi dan
Sumber Daya Mineral RI

Agus Sudibyo

Ketua Komisi Hubungan
Antar Lembaga dan Luar
Negeri Dewan Pers

Prof. Dr. Subroto

Advisory Board
ASPERMIGAS

Sponsor Speaker

Sentot Yulianugroho

Manager Government Public Relations
PT Pertamina Geothermal Energy

Trainers Day 1:

Ir. Moch. Abadi

President Director
JSK Petroleum Academy

Yudi Hartono

Chairman
Jakarta Drilling Society

Ir. Ashadi M.Eng.

Vice Chairman
Jakarta Drilling Society

Trainers Day 2:

DR. Win Sukardi

Board Member
National Centre for
Sustainability Reporting
(NCSR)

DR. Sugeng Riyono

Chairman
National Centre for
Sustainability Reporting
(NCSR)

**Moshe Rizal Eng. Ind.
MSc.**
